

Q/2017-18/180516JWE – Yr 9 Rank Order Assessment

16 May 2018

Dear Parents and Carers

**Re: Upcoming Rank Order Assessment (ROA) weeks**

You will be aware that assessment weeks are coming up for year 9 students in most subject areas. These will take place between Monday 18<sup>th</sup> June and Thursday 28<sup>th</sup> June.

This pack gives revision details for each subject. Your son/daughter is expected to use this pack, as well as advice and guidance given by their teachers, to prepare themselves for the ROA assessments.

It is imperative that your son/daughter is well prepared for their assessments so that they can perform at their very best. All assessments will inform the rank order for the year group and the class groups will be restructured accordingly from September 2018.

Students will receive the results of these assessments in September 2018 and you will have the opportunity to discuss them with subject teachers following their publication.

Exam timetables can also be found in this pack. Each set's timetable is different so please ensure your child familiarises him/herself with the correct one. Please note that students' technology examination will be different and depend on which of the technology disciplines they have focused on so far this year.

We would like to take the opportunity to thank you again for supporting the school in raising your child's attainment. If there is any way we can support your son/daughter further with their assessment preparation please do not hesitate to contact us using the email addresses below.

Yours faithfully

James Webb  
Assistant Headteacher
