INTERNET ACCEPTABLE USE POLICY

Authorisation to use the school's IT systems/personal systems on school premises will be specific to an individual. Any password, authorisation code, etc. given to a user will be for his or her use only, and must be kept secure and not disclosed to or used by any other person.

- Users are not permitted to use school IT or network facilities for any of the following:
- Any unlawful activity.
- The creation, transmission, storage, downloading or display of any offensive, obscene, indecent, or menacing images, data or other material, or any data capable of being resolved into such images or material.
- The creation of transmission of defamatory material about any individual or organisation.
- The sending of any e-mail that does not correctly identify the sender of that e-mail or attempts to disguise the identity of the computer from which it was sent.
- The sending of any message appearing to originate from another person.
- The transmission, without proper authorisation, of e-mail to a large number of recipients, unless those recipients have indicated an interest in receiving such e-mail, or the sending or forwarding of e-mail which is intended to encourage the propagation of copies of itself.
- The creation, access or transmission of material in such a way as to infringe a copyright, moral right, trade mark or other intellectual property right.

Gaining or attempting to gain unauthorised access to any facility or service within or outside the school, or making any attempt to disrupt or impair such a service; the deliberate or reckless undertaking of activities such as may result in the following:

- The waste of staff effort or network resources, including time on any system accessible via the school's network;
- the corruption or disruption of other users' data or work;
- the violation of the privacy of other users;
- the introduction or transmission of a virus into the network;
- Use of any proxy avoidance sites is expressly forbidden;
- Correspondence via e-mail is not guaranteed to be private.

Specific Requirements of the Policy:

- Student on-line activity and use of mobile technology will be monitored in order to guard against any misuse. King Richard School also reserves the right to report any illegal activities to the appropriate authorities where there has been serious misuse.
- Student data/information must never be shared with other students.
- Representing personal opinions as those of King Richard School is expressly prohibited.

In summary, school systems, the internet and email must be used by students and staff in a responsible and sensible manner. These systems are installed SOLELY to support learning and must be used for learning purposes.
